

Complaints Resolution Policy and Procedure

January 2017

1. INTRODUCTION

The Financial Advisory and Intermediary Services Act No. 37 of 2002 ("the FAIS Act") has specific provisions in respect of the process of handling client complaints. The FAIS Act requires that each FSP must have a documented and properly maintained internal complaints resolution system and procedure.

The FAIS Act protects consumers by regulating financial advice and intermediary services provided by financial services providers ("FSP's"), ensuring that consumers are adequately informed about the products they purchase and the product suppliers in order for them to make informed decisions..

This Complaints Resolution Policy and Procedure has been formulated in terms of Part XI of the General Code of Conduct for Authorised Financial Services Providers and Representatives as published in Board Notice 80 of 2003 and published in the Government Gazette dated 8 August 2003.

The object of this policy is to ensure that complaints are handled in a timely and fair manner and those complaints are investigated and responded to promptly.

2. SCOPE

This policy applies to ALUWANI Capital Partners (Pty) Limited, an authorised Financial Services Provider (FSP) with FSP No 46196.

3. WHAT CONSTITUTES A COMPLAINT?

The FAIS Act provides consumers with a platform to address their complaints in a fair and procedurally correct manner.

In terms of the FAIS Act, a complaint must relate to a financial service rendered by an FSP or its Representative/Key Individual to the complainant, and in which complaint it is alleged that the FSP or Representative/Key Individual:

- I. has contravened or failed to comply with any provision of the FAIS Act and that as a result thereof, the complainant has suffered or is likely to suffer financial prejudice or damage; or
- II. has wilfully or negligently rendered a financial service to the complainant which has caused prejudice or damage to the complainant or which is likely to result in such prejudice or damage; or
- III. has treated the complainant unfairly.

A complaint means a complaint relating to a financial service rendered by the businesses or any of its Representatives/Key Individuals on or after the commencement of the FAIS Act, being 1 October 2004.

It occurs where a client makes a statement of dissatisfaction, in the form of an accusation, an allegation or a grievance about a specific process / procedure / advice-related event, wherein he/she feels they have been treated unfairly and/or unprofessionally treated.

The dissatisfaction can be caused by alleged:

- Administrative failure
 - Where a client is unhappy with any aspect of service that ALUWANI provides. This could include, for example, ALUWANI not following client instructions correctly or timeously, doing something administrative incorrectly, or not following up on a request.
- Communication failure
 - Where a client complains that they have not been kept up to date with respect to their portfolio. This could include, for example, the client alleging that they have not received their daily, monthly or quarterly reports and/or data, or have not had any report back meetings.
- Advice-related queries

A complaint must not relate to the investment performance of a financial product, unless such performance was guaranteed expressly or implicitly, or such performance appears to be

deficient as to raise a prima facie presumption of misrepresentation, negligence or maladministration on the part of ALUWANI or its Representatives/Key Individuals.
